

# Application for works over Barwon Water's assets and/or easements

<b>Installation no:</b>	<b>Customer no:</b>	<b>HC Plan no:</b>
<b>WRENS no:</b>	<b>ECM File no:</b>	

## Do you need to complete this form?

Please complete this form if you wish Barwon Water to consider your application to carry out works:

- Within a Barwon Water easement
- Over a Barwon Water asset
- Within one metre of a Barwon Water asset

Please note, it is Barwon Water's preference that reasonable steps are taken to design the proposed works so that access to the asset is not compromised.

Please refer to Barwon Water's website for technical guidelines on building near or over assets:

Please select the following as best describes you:

- Owner
  Other please specify:

### Type of Works

- |   |  |   |                                       |
|---|--|---|---------------------------------------|
| <input type="radio"/> Commercial / Industrial buildings | <input type="radio"/> Decking                      | <input type="radio"/> Dwelling                    | <input type="radio"/> Eaves           |
| <input type="radio"/> Fences / Retaining walls          | <input type="radio"/> Garage / Carport             | <input type="radio"/> Pergolas / Veranda / Gazebo | <input type="radio"/> Rainwater tanks |
| <input type="radio"/> Shed / Workshops                  | <input type="radio"/> Site excavation / Earthworks | <input type="radio"/> Swimming pool / Spas        | <input type="radio"/> Tennis court    |
| <input type="radio"/> Other                             |  |   |                                       |

### Details of works (i.e. materials used):

## Mandatory attachments (these plans must be included with the application)

You must provide the following document(s) when you submit this form:

- **Planning documents**

Your planning documents must include: Building Plan; Site Plan (Please include elevations with dimensions of the distance of proposed structure/works from the property boundaries), Footing/Foundation designs (i.e. drawings showing angle of repose); Structural details of the proposed building or works being applied for, Plan showing Barwon Water's assets in relation to your building/works:

## Acknowledgment

I understand and acknowledge that:

- The information provided in this application is true and complete to the best of my knowledge.
- Barwon Water may refuse this application if it becomes evident that any information or supporting documents provided are incomplete or false.
- I approve of the information that has been provided in this application.
- This application must be accompanied by plans indicating details of the structure to be built and its relationship to the allotment boundaries (i.e.: a site plan). The application will not be processed without this information.
- If, in the opinion of Barwon Water, the information provided is insufficient to fully assess this application, you may be required to provide further details of your proposal. This may delay the processing of the application.
- Barwon Water's acceptance of this application and fees for processing is not to be construed as consent to build any structure over the pipe and/or easement, and only relates to this application.
- Where an application is made by an agent of the owner, the agent warrants that it makes, and has full authority from the owner to make, this application on behalf of the owner. The agent also agrees to provide a copy of this application form and all conditions of consent to the owner.
- Where an application is made by an agent of the owner, the agent authorises Barwon Water to provide any information relating to this application and erection of the structure to the owner.
- Construction over a Barwon Water asset or within a Barwon Water easement without consent is an offence under section 148 of the Water Act 1989 (VIC).
